As noted in the last issue of the newsletter, the unexpected theme for the Forks Township Board of Supervisors in 2019 appeared to be change. On June 20, 2019 Mr. Tim Hughes was sworn in as Township Supervisor of Forks Township following the acceptance of the resignation of Mr. Ed Moore on May 16, 2019. In February, Mr. Robert Egolf resigned and Mr. Brian Frey was appointed to fill the vacancy. After 12 years on the Board Mr. Erik Chuss chose not to run for re-election and therefore a third vacancy out of the five-member board was created. In October Mr. Frey then stepped down.

At the November 5th General Election Mrs. Kelly Keegan was elected to a 6 year term, Mr. Tim Hughes was elected to both a 2 year term and 6 year term.

On November 7th, 2019 Mrs. Keegan was appointed to fill the unexpired term of Mr. Frey which will end December 31, 2019. According to her resume, Kelly Keegan is a Certified School Nurse with the Easton Area School District. She has worked with the Lehigh Valley Health Network as a Registered Nurse and was a high school science teacher at Monroe Township High School. She holds a Bachelor of Science degree in biology, Master of Arts in Education, Bachelor of Science in nursing and is a Certified School Nurse.

Kelly and her family reside on Willow Drive in the Township and her husband was recently elected to the Easton Area School Board.

**THE HISTORY OF THE FORKS TOWNSHIP HISTORICAL SOCIETY**

On April 18, 2002 a group of people met to discuss forming a historical society for Forks Township. Attending was: Terry Caffrey, Charles Churchman, Morris and Dorothy Metz, Gloria and Karl Miller, James Reilly, Marion and Arlo Babp, Carl Cooper, Stan Price, Bob and Maggie DeHart, Gladys Millheim, Asher Stout, and Bob and Alma Daws. The group was initially interested in preserving the Lambert Homestead. This was a 2-story house at Richmond Road and Newlins Road East that was shown on an 1860 map of Forks Township. It had a mansard-style roof which made it unique to the homes of the period. Forks Township owned the property and could not be persuaded to save it; it was leveled shortly afterwards and is still an empty field, owned and maintained by the Township.

Despite being unable to save the historic Lambert home, the group sought to incorporate with the State of Pennsylvania as a 501c3 non-profit corporation. A committee was formed to created by-laws and hire a lawyer. By April, 2003 the Incorporation was complete. Officers had previously been elected. The first president of the society was Karl Miller; vice-president was Morris Metz; the secretary was Terry Caffrey and the treasurer was Marion Babp. At the next meeting of the society, a discussion was held as to where to save the historical artifacts that were already being collected. That discussion continues through today – where to store the documents, pictures, artifacts and items.

Plans were begun immediately to help the township celebrate its 250th anniversary which was to be held in 2004. Photos and stories from every corner of the township were collected and published in “The Forks Township Remembrance Book”. Over 200 pages of pictures and written history was published in 2004 by members of the society. Those who still retain copies of this book should feel fortunate to have their copy of Forks Township's history.

The next project to be undertaken was refurbishing and opening to the public the Log Cabin that had previously been moved to the Forks Township Park. In the 1990’s a log cabin (the Frace Cabin), estimated to have been built in the 1760’s was discovered near Frost Hollow Road (next to what is now Dayton Drive.) It was covered in aluminum siding, but was recognized by a society member (Gloria Miller) as a cabin she had visited on a field trip while in school. New owners of the property were willing to donate the cabin provided it was moved from its historic site. Through the efforts of Forks Township Supervisor Don Miller and his fellow board members, a space was made in Forks Park to which the log cabin could be moved and saved from the housing development happening at the time. The Frick Transfer Company used their equipment and manpower to move the cabin to the Forks Park site and also donated $30,000 to refurbish the cabin at its new location. Sixteen years later, the township added funds to again update the cabin to its current condition. The Forks Township Historic Society conducts open-to-the-public house tours of this cabin three times per year.

In addition to the Log Cabin, the society opens to the public a Springhouse several times per year. The Springhouse, a pre-revolutionary war structure is located near 3300 Bushkill Drive. The stone structure was first built by the Wagener family, who settled near Bushkill Creek. The building is a one-room structure with fireplace built over a running spring for fresh water and ‘refrigeration’. After the farm changed hands several times, the property was purchased by John Beitel Sr. who noticed the dilapidated condition of the structure. He hired a contractor to restore the building and save it from collapse. The land is now owned by Lafayette College, but leased by Forks Township who maintains the area as a public park. The township accepted the society’s offer to upgrade the surrounding area and improve the interior to make it suitable for public tours.

The society also refurbished a wagon originally built in the township by Cyrus Graver (ca. 1910.) It was found stored in a barn in Williams Township by Earl Smith of Forks Township. He informed Harold and Elsie Babp, Graver’s daughter, who then bought the wagon and returned it to the blacksmith shop where it was built. When this was sold, the new owners generously donated the wagon to the Forks Township Historical Society. A fund-raising campaign and a grant were used to restore the wagon by an Amish wagon maker in Pennsylvania in 2007. The wagon was transported back to Forks Township by Frick Transport (again, gracious volunteers.) The wagon is currently on display in the lobby of the Forks Municipal Building.

More recently, the society acquired a thresher made in 1892 by the Messinger Manufacturing Company of Tatamy, PA. The Messinger Manufacturing Co. sent similar farm equipment around the world. Our thresher was donated by Michael Messinger, grandson of the maker and has been publicly displayed at several of our events.

The Forks Township Historical Society is dedicated to saving documents, artifacts and items, big and small, of historical interest to the township. We meet on the 4th Monday of each month (except December) at 7 PM at the Faith Lutheran Church, 1202 Sullivan Trail. A speaker on historic topics is invited each month and everyone is welcome to attend. There is never a charge.
The Forks Area Art Society (FAAS) celebrates its 10th Anniversary in March! In its ten years, FAAS, a non-profit, cultural organization, has offered a wide variety of programs featuring all forms of visual and performing arts in support of our region’s outstanding artists. We have been proud to host the annual “Amp Up the Art” fine art and craft festival in May at the Forks Amphitheater, monthly art exhibits at “The Cottage” on Zucksville Road, monthly meetings featuring amazing artists demonstrating all types of art, as well as various art sketch sessions and events including a popular Writers group for aspiring authors. The group is open to artists and art appreciators alike. If you are an artist or just enjoy the arts be sure and check out all we have to offer below. Please visit our website for all the details.

**MONTHLY MEETINGS:** Held the 2nd Wednesday of each month, except January and July, at 7pm at the Forks Township Municipal Building, 1606 Sullivan Trail, Easton PA 18040. The meetings are free and open to anyone who appreciates art. The meetings feature the outstanding talents of area artists and include a popular artist’s art work “show and tell” segment.

**ART EXHIBITS:** Themed art exhibits are held on a monthly basis at the Cottage in the Woods. Exhibits are open for viewing on Sundays from 2-4pm.

**ART CLASSES:** A variety of art classes for beginners, intermediates, and advanced artists are also held at the Cottage in the Woods.

**ART FESTIVAL:** The Forks Art Society’s 7th annual free outdoor fine art and craft festival, “Amp Up the Art”, is scheduled for May 16, 2020 at the Forks Township Amphitheater. The festival features a number of local artists displaying and selling their work, art demonstrations, musical entertainment, food and art related activities.

Additional information about these and other exciting area art events can be found on our website www.forksart.org or Forks Area Art Society Facebook page. You may also contact us via email info@forksart.org. The “Cottage in the Woods” is located at 700 Zucksville Road, Easton PA 18040.

---

**EGGS ORIGINAL CLUB**

THE EGGS ORIGINAL CLUB CREATES ART USING REAL EGG SHELLS, AND WE WELCOME ANYONE WHO WOULD LIKE TO LEARN THIS ART FORM.

We host our annual Decorated Egg show the last full weekend of April each year—April 25th and April 26th in 2020. We offer classes for people to make egg designs. We showcase artists and dealers from across the country, offering beautiful artwork and the supplies for it.

See our seminars on our website: eggsoriginal.com, and please contact lirispree@hotmail.com for show and meeting details.

**EASTER EGG HUNT**

Date: April 4, 2020

Age Categories: 2-4, 5-7 & 8-10

Prizes awarded at each age level

Cost: $2.00

9:00 a.m. Registration
9:30 a.m. Start Time
Forks Township Amphitheater
The New Year is always a good time to look back and reflect. It’s an opportunity to think of what you were grateful for this past year and be optimistic about what the New Year holds.

The Forks Fire Department has many things to be thankful for. We are thankful for the amazing support we get from the Forks Community. Your donations help us to run many programs throughout the year. Open House, Trick or Treating, School Safety Visits and Retention of Firefighters are just a few of the programs that could not happen without you. We are also thankful for the Board of Supervisors that support us throughout the year. The recent income tax break for volunteer firefighters, will go a long way in driving membership. Finally, we want to thank Chief Chuck Gallagher for his time and efforts running the department. Chief Gallagher has been a member of the Forks Department for nineteen years. At times in his career he has relocated for work and has volunteered on various other departments. He credits those times on other departments with helping him bring new ideas to the Forks Department. He will remain an active member of our department.

Once again, this year we will be running our Hydrant Helper program. When significant snowstorms hit the area our township fire hydrants can become less accessible. This can delay getting vital water supply to firefighters in the event of an emergency. We are asking residents to assist in clearing the area around fire hydrants. As a reward for helping your community we will be working with local businesses to support this program with a raffle for gift cards (Weis/ Giant/ Big Woody’s/ Nicolo’s Pizzeria/ Gift Box Floral & Garden/ Ace Hardware). Check our Facebook page for a full listing of the generous businesses.

Once you have cleared your hydrant, simply send a picture of yourself with the hydrant, via email to the Forks Township Fire Department at: HydrantHelpers25@gmail.com Let us know where the hydrant is located and your name. We will post the pictures on our Facebook page and at the end of each month we will randomly select winners for gift cards. Each hydrant you clear will count as an entry into the raffle. The more hydrants you clear will increase your chances of winning. We appreciate your help with this important job. Saving a few seconds at a house fire can make a big difference.
TRASH AND RECYCLING

BULK COLLECTION - 2020 Special Collections

Each residence can put out two (2) bulk items on their regularly scheduled collection day during these weeks. Bulk items include items too large to fit into the waste cart and are further defined as items having the approximate size and weight of a standard size sofa that can be carried by two (2) men. Examples include furniture, mattresses, rolled up and tied rugs no larger than 3’x6’. Unacceptable materials that will not be collected include construction materials, hazardous waste, electronics, tires, yard waste, grass clippings or additional household trash.

Can’t wait for the next quarterly collection? Stop by the township offices and purchase a tag for $20 each. Affix the tag to your bulk item and put it out curbside on your next collection day. No limit on the number of items you can have collected in this manner, but if it’s more than two (2), you will need to contact County Waste at 1-800-832-1332 so they can plan accordingly.

YARD WASTE COLLECTION

Yard waste is no longer allowed in landfills in the State of Pennsylvania. There will be (2) yard waste collections: one in the spring and one in the fall each year and these materials will be composted.
• Unlimited amounts of yard waste (leaves, branches, twigs, flowers, roots, bushes, garden clippings) will be collected curbside.
• Place your materials curbside as follows:
• Any clean, open-top container (uses your former cylindrical, yellow recycling container, but NOT YOUR AUTOMATED CART)
• Compostable brown paper bags available at certain grocery stores or online.
• Tie with cotton or hemp twine in bundles no larger than 3’x3’x3’, and weighing no more than 40 lbs.
• NO PLASTIC BAGS, OR PLASTIC OR SYNTHETIC ROPE, OR TWINE
• NO grass clippings, tree stumps, loose soils, sod, any wood or tree limbs over four (4) inches in diameter; human or animal excrement; noxious weeds or soil contaminated with hazardous substances

WHITE GOOD COLLECTION

Appliances such as air conditioners, refrigerators and freezers (remove doors; no need to remove Freon), washers, dryers, hot water heaters, dehumidifiers, bicycles, and lawnmowers (oil and gas removed), BBQ grills (gas and/or charcoal removed), and various other household metal items.

There will be someone at the site during the hours of operation. Proper ID (Driver’s License) will be required to show proof of Township residency to enter the yard waste site. Should you hire a contractor to drop off any yard waste from your Township residence, they will be required to have a Yard Waste Drop Off Authorization Form that can be found on the Township website or picked up from the Public Works office located at 100 Newlins Road East, Easton Pa 18040.

The following items are prohibited from being dumped at the yard waste site:
LUMBER, PRESSURE TREATED WOOD, PANELING, PALLETS, SHINGLES

If you have any questions or need a form emailed, please call 610-438-2670 or skramer@forkstownship.org.
CURBSIDE RECYCLABLES

Place the following household, clean or rinsed items should be placed in your recycling cart.

- **Cans:** aluminum, steel, and tin cans; rinsed
- **Cardboard:** Cut to fit, if necessary, to easily release from the cart. Large amounts can be taken to the Forks Recycling Center, at 1051 Frost Hollow Road.
- **Food and Beverage Cartons:** milk, cream, egg substitutes, juice, soup, broth, wine, and juice box cartons.
- **Glass:** clear, green, and brown bottles and jars; rinsed. No window glass, light bulbs, drinking glasses, etc.
- **Plastics:** numbers 1 through 7, in a triangle, on the bottom of the container
- **Paper:** newsprint, office or school paper, junk mail, magazines, catalogs, telephone books, cereal boxes, paper towel rolls, paper bags. (Shredded paper must be bagged and placed in the trash)
- **Grass clippings, leaf, and yard waste collections:** go to www.forkstownship.com for more information.
- **Christmas Trees:** Christmas trees are collected during the first three (3) weeks in January (Weeks of 12/30, 1/6, and 1/13.) No tree stands, plastic bags, tinsel, lights, or ornaments.

PLASTIC SHOPPING BAGS

Only recyclable at grocery stores and certain retail locations, i.e. Giant, Wegmans, etc. Containers are typically located in lobby. Cannot be placed in curbside recycling carts.
**Winter Travel Tips**

Get Ready for Winter!

**Before the Snow Falls**

The Forks Township Department of Public Works located at 100 Newlins Road East uses the fall months to prepare for the upcoming winter months. The Department of Public Work’s is where the vehicles are serviced and equipment is checked. We store about 1800 tons of salt with someone always on duty to report when the snow begins to fall.

**When the Snowfall Starts**

The Department of Public Works with the help of the Parks Department is on the job around the clock, if necessary dedicated to removing snow from 60 miles of roadway.

The first step is salting the streets, beginning with the Township’s main roads and working our way into the residential areas. Applications of salt continue until the streets are cleared or until the snow is too deep.

**When the Snowfall Continues**

Plowing becomes more effective than salting when three to four inches of snow have accumulated. The main roads and residential streets are plowed by the crews who are assigned to a specific zone.

The first priority is to open the main roads to provide safe access for emergency vehicles and to maintain a safe traffic flow. The plows continue to clear the streets in each zone until every road is safe. If the storm continues, the crews continue working in the same pattern until the storm ends.

When the snow ends, the trucks begin to clear the intersections and widen out all of the roads by pushing the accumulated snow back to the curbs.

**After the Storm is Over**

Our crews will continue to monitor all the roads for icy conditions and where winds may redeposit snow onto the roadways.

Resident and business owners are reminded that all sidewalks must be cleared within 24 hours after the end of the storm. Residents should NOT throw snow into the roadway when clearing their driveways and sidewalks.

To report a hazardous condition, call the Department of Public Works at 610-438-2670. For medical and the police department call (911).
WHEN SNOW FALLS
Help us Help You

Be Prepared, Be Aware, Be Patient
Before it snows, make sure you have your tools and supplies handy such as shovels, ice chippers, snow blowers, and salt. If you hire someone to do your snow removal, make sure your arrangements are in advance. PLEASE move cars off the street.

Please do not go out during or immediately after a snowstorm unless it is necessary. Crews have many hours of hard work to clear away the snow. Crews will be able to do their job more quickly and completely if there is less traffic on the roads. In the best conditions, it can take 4 to 8 hours after the snow has stopped falling to complete the snow removal operations.

Snow removal is a difficult and time-consuming task. Please understand The Department of Public Works cannot shovel out your driveway entrance or plow out private property.

Tips and Suggestions
1. If snow is expected, move your cars into the driveway. Parking on the streets during a snowstorm is prohibited.
2. If you are shoveling out the entrance of your driveway, never throw snow directly into the street.
3. If possible, finish clearing your driveway AFTER the final widening pass by the snow plow. This is usually 3 to 10 hours after the snow stops falling, (depending on the severity of the storm). DO NOT throw snow into the street.
4. If you have to go out during hazardous conditions, please remember to drive slowly, brake slowly, allow plenty of room between you and the vehicle in front of you and watch for sudden obstructions.
5. Plan alternate travel to main routes and your place of employment. Please give yourself extra time to get there.

BEGINNER YOGA
An introduction to yoga focusing on breathing techniques and correct alignment. This class is designed to give you the foundation needed to help support you without worry as you move into a regular yoga flow setting. All levels are welcome.

SATURDAYS
9:30 AM – 10:30 AM
$10 Walk-in

YOGA FLOW
In this class we will link breath to mind-full movement in a flowing sequence of seated, standing and balancing postures building heat, strength and flexibility. It is called Hatha yoga and all poses can be modified to work for students with different levels of ability. Please bring a yoga mat, a towel, and a water bottle.

TUESDAYS OR THURSDAYS
6:30 PM – 7:30 PM
$10 walk-in

CHAIR YOGA WITH JACKIE
Chair yoga is a gentle form of yoga that is practiced sitting on a chair or standing using a chair for support. Within this class we will flow through a sequence of seated poses, standing supported stretches and using our mat for some reclined postures followed by final relaxation. This 45-minute session in time will leave you with increased flexibility, better body balance, improved posture and a relaxed and clear mind.

Please note: we need a minimum of five participants to run the class.
Walk-ins will be accepted if our minimum participants are reached.

TUESDAYS: January 7th - January 28th
9:00-9:45am
$60/person
Reserve your chair...Pre-Register by Monday, January 6th

BYOM—bring your own mat please if you have one. If you do not have a mat, Jackie will loan you one.
Questions about this activity: Contact Jackie Squarcia @ 484-892-1669 or email jsquarcia@gmail.com.

YOGA
Learn all about electronics, magnetism, and more in this fun and educational hands-on workshop! Take part in our Minds in Motion electronic lab and take home your very own circuit kit. With the aid of your instructor, simply follow the colorful pictures in your manual to build up to 100 exciting projects such as a flying saucer, alarm, and doorbell! All parts are mounted on plastic modules and snap together with ease. You will also take part and witness many cool magnetic experiments including making and taking home the World’s Simplest Motor! See a mysterious spinning top that never stops and witness a cool magnetic sand timer. Watch electricity being produced by a hand held generator and take part in a cool activity involving a very powerful magnet.
Behold a special magnetic top levitating and much much more!

4 WEEK SESSION: TUESDAYS
MARCH 10TH - MARCH 31ST
4:00 PM - 6:00 PM
$170/ per person

MINDS IN MOTION
Electricity and Magnetmania

PICKLEBALL
We will now be offering open gym times for pickle ball! Tuesday and Thursday from 9:00am to 12:00pm. Only a $5 walk in fee!
YOU MUST PRE-REGISTER FOR ALL SESSIONS

TENNIS

YOUTH BEGINNER’S TENNIS LESSONS
(Ages 6-13 years)

Our youth tennis lessons will be divided by our Certified Tennis Instructor into a Beginner’s Level 1 and a Beginner’s Level 2 class. The Level 1 class will be focusing on the introduction of new players to the game of tennis. The class will be modified to fit the participant’s level of play. Low energy balls or smaller racquets may be used to help ease the beginner into play. Level 2’s class will be a more in depth class for those who want to learn the sport in an exciting, progressive and structured setting. Participants in both levels will focus on their swing, rallying back and forth and begin to learn about the different spins you can put on the ball.

6-WEEK SESSIONS
SUNDAYS
Session 1: January 5th – February 9th
Session 2: February 23rd – March 29th
Session 3: April 12th – May 17th
10:30 AM – 11:30 AM
$75/session

YOUTH INTERMEDIATE TENNIS LESSONS
(Ages 9-13 years)

Once your child has progressed out of the beginner’s class, they will be able to join our intermediate classes. The class will touch on the child’s swing, their rallying and ball handling skills, as well as teaching situational drills while simulating a match.

6-WEEK SESSIONS
SUNDAYS
Session 1: January 5th – February 9th
Session 2: February 23rd – March 29th
Session 3: April 12th – May 17th
11:30 AM – 12:30 PM
$75/session

ADULT TENNIS BOOTCAMP

You are never too old to play tennis and never too old to start. Grips, footwork, forehand and backhand groundstroke’s, volleys and serve will be introduced. Participants will also focus on coordinating movement and balance, hitting the ball with purpose and direction, and improve skill level through strengthening of the fundamentals.

6 WEEK SESSIONS
BEGINNERS
SUNDAYS
Session 1: January 5th – February 9th
Session 2: February 23rd – March 29th

GOLF

JUNIOR GOLF LESSONS
Junior golf lessons will be held at Riverview Country Club. Classes will be taught by PGA Professional Gary Strausser.

PGA Professional, Gary Strausser attended Penn State University, where he completed the PGA Golf Management Program. During that time he completed internships at Shawnee Inn and Golf Resort, Rolling Rock, Olde Farm Golf Club and Reynolds Plantation. Throughout those experiences he gained valuable knowledge about teaching the golf swing and the business of golf. Gary also actively plays in section events and local Pro-Am tournaments throughout the year.

TEACHING PHILOSOPHY
I believe that students can swing the golf club in many different ways. People come in many different shapes and sizes and golf swings come in many different variations as well. If we can work together and achieve proper “impact” with making simple and minor adjustments a good golf swing has been made.

Participants can expect to work on various different skills including Short Game, Full Swing, on course play, Golf course etiquette, etc. Most important participants will have fun and learn!

4-WEEK SESSION
SATURDAYS
April 11th – May 2nd
$130/session
10:00am – 11:00am

TAI CHI
Yang Style Tai Chi is the most popular in the world and it is practiced by millions of people every day. By practicing Tai Chi you relax the mind and the body deeply which is the key to improving and maintain your health. Also, helps in creating healthier breathing habits. Regular practice will benefit your strength, flexibility, bone density and muscle mass.

FOR AGES 18 AND OLDER
WEDNESDAY
6:00 PM to 7:00 PM
$10 Walk-in

Amazing Athletes uses a multi-sport program to benefit children aged 2 ½ to 6 years physically, mentally, socially, and emotionally. Our program introduces the fundamentals of 9 different sports (soccer, hockey, volleyball, basketball, tennis, lacrosse, football, baseball, and golf) in a non-competitive environment.

Children in Amazing Athletes routinely gain greater confidence, learn to combine fitness with fun, and develop 7 key motor skills: balancing, running, jumping, throwing, catching, kicking, and bowling.
